### Use Your Powers for Good!

Trust takes courage. And courage takes trust.  
Let's recognize our untapped powers and the impact  
when we channel those into achievable results!

**W**endy Groll is the Vice President of Operations and Director of Training for Handley & Associates, which delivers Dale Carnegie Training for 36 counties in Michigan. She designs, implements, and facilitates programs which produce bottom line results for clients. Wendy is also a Master Trainer with Dale Carnegie Training (Corporate), a role in which she travels all over the world training people to be Dale Carnegie Trainers.

Joining the Handley & Associates team in 2003, Wendy began working directly with clients in assessing their needs and implementing results-driven development. Her work on challenging projects continues to deliver measurable results for clients.

Wendy has worked with clients in identifying key

issues, obtaining essential results, and developing leadership succession for the organization's future. Her experience includes automobile, healthcare, education, hospitality services, accounting, engineering, construction, manufacturing, clergy, governmental, and financial industries. She has also partnered with professionals as an Executive Coach for their growth and development.

Her diverse experience and background have contributed to Handley & Associates award-winning success with market penetration, repeat business and client satisfaction. Wendy has been recognized for earning a place in the Top 1% of the organization (worldwide) and Handley & Associates has been recognized in the Top 10 Franchises in the world for customer satisfaction.
